

Directions: Use the "SLOW" speed when identifying a subject.
Use the "TURBO" speed when identifying a predicate.

SLOW

TURBO

The diagram features a maze-like structure with a central black circle. The maze is composed of black lines forming a path. Various text labels are placed around the maze, and colored squares (red, black, blue, green) are placed along the path. The labels include "burned brightly", "several hikers", "the candles on the birthday cake", "gathered sticks to build a nest", "black and white cows", "grazed in the meadows", and "START". The "START" label is next to a white rectangular box. The colored squares are arranged in groups of three, with the first square being red, the second black, and the third blue for "SLOW", and the first square being blue, the second green, and the third blue for "TURBO".
