

Pallet Construction

Material Movers

ozobot[®]

1. Cut out 2 pieces of non-corrugated cardboard 12x14 cm in size
2. Using the cup, trace a circle centered along the 12cm side.
3. Use 4 pieces of tape to secure the cup to the cardboard.
4. Use tape to secure the wooden cylinder to the cup.
5. Stack raisin boxes on the pallet as shown.
