OzoDreidel Code

```
Driedel *
set counter to 0
set time to random integer from 1 to 5
repeat until counter = time
do
  set wheel speeds:
    left (mm/s) -60
    right (mm/s) 60
  wait 100 x 10 ms
  set counter to counter + 1
set wheel speeds:
  left (mm/s) 0
  right (mm/s) 0
set result to random integer from 1 to 4
if result = 1
do
  set light color [blue][blue][blue][blue][blue]
  wait 1 second(s)
  play surprised
if result = 2
do
  set light color [orange][orange][orange][orange][orange]
  wait 1 second(s)
  play happy
if result = 3
do
  set light color [green][green][green][green][green]
  wait 1 second(s)
  play laugh
if result = 4
do
  set light color [red][red][red][red][red]
  wait 1 second(s)
  play sad
```

Nun - Player does nothing. Players to the left “spins” evo.

Gimel - Take the whole pot! Everyone, including the spinner, puts another piece into the pot, and person to the left “spins”.

Hei - Player gets half the pieces in the pot.

Shin - Player puts another piece into the pot.
