

Drawing Color Codes

Ozobot has three choices: Go left, right, or straight.

DO: Place Ozobot at the start and see which it chooses. Repeat several times to see if Ozobot always chooses the same way.

DO: Look at your Color Code Reference Sheet. Which Color Code can you add to the blank boxes so that your bot always reaches the finish?

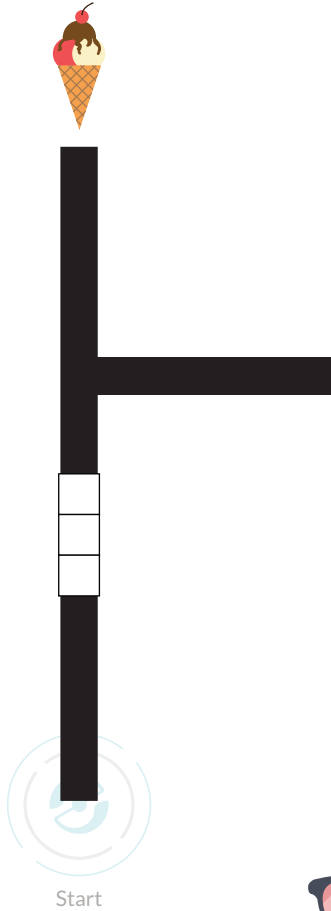

Drawing Color Codes

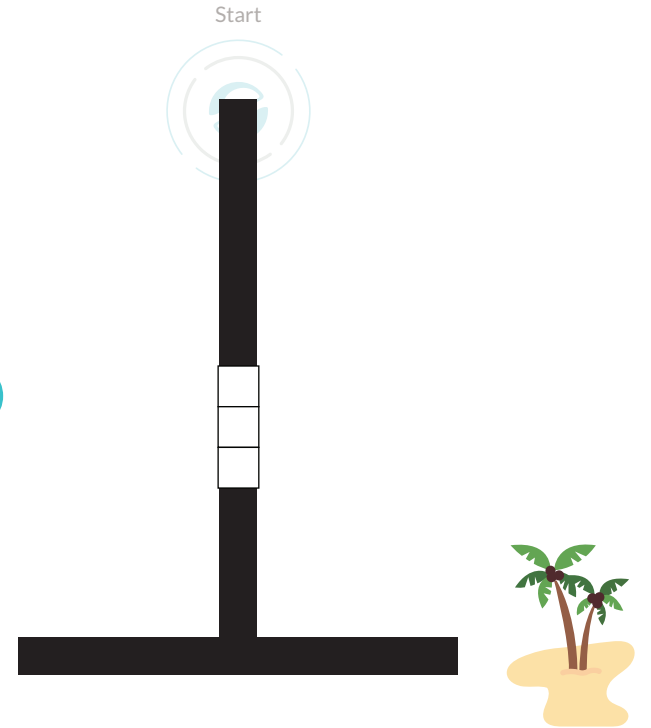

Ozobot's Day

1. Eat 
2. Put on 
3. Go to 
4. Play with 

1
