Random Prefix Activity Sheet

Use your Ozobot to choose a prefix and a root to make a word. Decide if the word is one that is normally used. If yes, circle Y and write the meaning in the far right column. If no, add another prefix to the root to make a word that is normally used, then write the meaning in the far right column.

Only write a prefix + root combination one time. If your bot chooses the combo again, go back to start and choose again.
